

Tejas Agrawal

Takaoka, Toyama, Japan

Mobile: 080-4125-5955 | Email: tejas.agarwal.5@gmail.com

Portfolio: <https://tejas-agrawal.web.app/>

OBJECTIVE

To obtain a challenging position as an IT Software Engineer or Game Programmer where I can leverage my specialized training in programming (C#, C++, MySQL), web development, and strong analytical skills from a background in IT and corporate auditing. Eager to build engaging, optimized, and innovative digital solutions and am highly adaptable to any IT domain.

TECHNICAL SKILLS

Programming Languages & DB: C#, C++, HTML, CSS, JavaScript, Java, MySQL

Tools & Technologies: Unity, Unreal Engine, Firebase, GitHub, Web Development

Other Skills: Data Analysis, Advanced Excel, Quality Assurance (Auditing), Precision Engineering

KEY PROJECTS

Personal Portfolio Website

Designed and developed a personal portfolio website from scratch using plain HTML, CSS, and vanilla JavaScript. Hosted via Firebase (<https://tejas-agrawal.web.app/>), the site showcases web development capabilities and serves as a platform to host playable game projects.

Tokyo Game Show Exhibited Project (Sep 2025)

Co-developed a group game project utilizing Unity/C# that was officially selected and exhibited at the Tokyo Game Show, demonstrating strong teamwork, game design, and optimization skills.

WORK EXPERIENCE

Alten Japan (Assigned to SCREEN Takaoka), Takaoka, Japan | Apr. 2026 - Present
Semiconductor Equipment Engineer

- Rotate cross-functionally across mechanical assembly, module integration, and electrical calibration to assemble complex fluid delivery systems.

- Manage highly volatile chemical processes (H2SO4, DHF, IPA) with strict adherence to environmental and safety tolerances, demonstrating high precision and attention to detail.

TODI TULSYAN & CO., Mumbai, India | Jul. 2018 - Nov. 2022
